

Memo: To All Parents

Regarding: Peanut Allergies

Everyday the children will have a 10-15 minute snack time. In our school, we have students who have tree nut allergies and allergies to peanuts, peanut oil, and peanut butter. Therefore all classrooms will be "Peanut and Nut Free." Your child's lunch does not have to be "Peanut Free." The items on the following list are the only acceptable snack choices that may be brought into the classroom:

1. Vegetables (No Dips)
2. Yogurt (No Toppings)
3. Applesauce
4. Cheese (String or Slices)
5. Fruit
6. Teddy Grahams (this brand only)
7. Goldfish (this brand only)

No other snacks will be allowed to be in the classroom. We have also made changes in how we will celebrate birthdays and holidays. These are the only acceptable party foods:

1. Popsicles
2. Fruit or Vegetable Platters
3. Pizza (Only from Carol's, 271-7700)

These allergies can be life threatening. We appreciate your cooperation and understanding in this very important matter.
